

## Staying at Schule fuer Shiatsu and around

You can stay at our school during the course for free from the evening before the class until the last day of the class (check out until 7 p.m.)

If you plan to arrive one evening before the class, please remember that you can only get in if you arrive before 7 p.m. After 7 p.m. the office is closed.

If you want to stay at the school, please inform our office. And please try to reduce your baggage. Especially during full Cranio classes we do not have enough space for big suitcases and bags.
